Meeting started at 7:45 pm. The February minutes were unavailable for review and will be reviewed at the April meeting.

NEW BUSINESS:

Board members Davis and Stuhmiller had prior commitments and arrived at the meeting late. Board vice-chair John Schwartz arrived at 7:00 p.m. and awaited arrival of the remaining board members. A quorum was reached at 7:45 p.m.

Chairman Davis attended the Town of Berkshire Planning Board meeting on March 4, 2014. There was a good discussion about sharing information and where each Town was on current projects. The Berkshire Planning Board expressed interest in the Richford Planning Board's work on the Comprehensive Plan update and the Road Protection Plan.

Discussion about the Comprehensive Plan Survey centered around how much personal information was needed. Schwartz moved that the section containing personal information be removed. Stell seconded, unanimously approved.

Guest Charles Merrill, who was invited by Davis, was asked how he felt about the meeting and if he would consider applying for the one vacancy the Planning Board currently has. He stated he was interested, and would like to attend another meeting before committing. Davis will extend an invitation to our April 2 meeting.

Stanford moved to adjourn the meeting and Schwartz seconded. Unanimously approved. Meeting adjourned at 8:53 p.m.
