Dog Control Report:

Patrick Cartwright had no activity for the month.

No contract with Stray Haven as of this meeting. Attorney Canizio would like to meet with Stray Haven and express our concerns regarding the financial liability to the Town. Attorney Canizio asked Patrick to set up the meeting. The Board would like Patrick to look into to see if there is grant money associated with setting up municipal kennel. The cost for a four dog kennel is approximately \$4,000.

Mr. Cartwright has compared the cost of the Dog Control system to the amount of revenue generated from the dog licenses and has found that the Town is in the deficit by about \$800. Thus, he recommended that the Town increase the fee by \$2 per animal.
