

Want to learn something new,
Challenge yourself, *and* help your community?
We have your chance waiting for you.

Join us in becoming a Certified First Responder, a member of an elite team.

What can you look forward to?

Learning about first aid, basic medical skills, becoming AED and CPR certified. ALL FOR FREE.

We only need your time. The course is 60 hours of class time. Want to take it one step further? Become an EMT with 150 hours.

Our goal is to become a community that can help each other before an ambulance service can arrive in town. If we have enough interest we can hold the class in Richford or a nearby department.

Help us, help those you love.

Join us at our monthly meeting the last Thursday of the month at the Richford Fire Station at 6pm. You can also contact us at Richfordvoldept@yahoo.com or give us a call at (607) 657-4414.
